SILENT HEROES OF THE COLD WAR

THE MYSTERIOUS MILITARY PLANE CRASH ON A NEVADA MOUNTAIN PEAK, AND THE FAMILIES WHO ENDURED AN ABYSS OF SILENCE FOR GENERATIONS.

Government secrecy. Those two words often seem to be synonymous and never more so than during the Cold War. Fifty years later the veil of secrecy is lifted. The secret operations covered up not only failed policies and bad decisions, but also robbed men and women who served from being recognized and honored for their achievements.

Those who made the ultimate sacrifice doing what many believe kept our nation from harm were not acknowledged during their lives, and their families suffered years of not knowing of the heroism of

their loved ones. Finally, the details of the secret military flight to Area 51 that took the lives of these silent heroes can be told.

In *Silent Heroes of the Cold War: Declassified*, Kyril Plaskon tells what happened on a stormy day above Mount Charleston. With interviews from recovery crew, family members, and from declassified materials, the truth and the heroism of these men are celebrated.

ABOUT THE AUTHOR

Kyril D. Plaskon is an award-winning broadcast and print journalist, and has worked both abroad and in various US states.

As a reporter at KPBS-San Diego, he won Society of Professional Journalist's top awards for exposing child sex tourism in Tijuana, Mexico. He has won awards also for covering cross-border electricity and pollution issues during the energy crisis.

Today, he is pursuing his master's degree in journalism at UNLV and building a home at the base of Mount Charleston.

Plaskon is a member of the Lee Canyon Ski Patrol and enjoys participating in triathlons. He resides in Las Vegas with wife, Mina and daughter Alara.
